

## **PUBLIC NOTICE**

In accordance with Section 23(3) of the National Energy Retail Law (Adoption) Act 2012, Momentum Energy Pty Limited (ABN 42 100 569 159) advises that all electricity standing offer tariffs for small customers in New South Wales will be varied effective 1 September 2016. The electricity variations are principally due to changes in energy prices, network and metering prices charged by the network business to get electricity to home and business. For full details of our standing offers please visit
