Momentum and 3AW are proud to support small business innovation and success through the Small Business Success Awards. The awards celebrate the exciting and sometimes challenging lives of small business owners. Momentum and 3AW reward small business success with a series of fantastic prizes designed to aid further development and reward hard work.

Minister for Innovation, Services and Small Business, The Honourable Louise Asher MP will present the monthly awards live on 3AW Afternoons with Denis Walter. This will afford the winning business the opportunity to maximise their exposure to the community through 3AW's extensive audience, giving their business a competitive edge.

Plus each monthly winner will receive a suite of great prizes

Build

Understanding how to identify strengths and act on opportunities will help build the momentum of your successful small business. Small Business Mentoring Service (SMBS) mentors are able to help the winner's business to develop in areas such as marketing, finance and general business management. The mentor will work with the business to establish action plans that will aid further success.

The winner will receive three free mentoring sessions through SMBS with a mentor of their choice. This service is valued at \$255.

Promote

Stand out from other small businesses with an opportunity to promote your business on radio to the average value of \$5,412. Your business will receive exposure to 3AW's extensive audience through a joint radio ad and the live presentation of the award on the 3AW Afternoon program. This unique radio exposure will be supported by news features on the 3AW and Momentum websites.

Reinvest

It takes hard work to turn a great idea into a successful small business, so we know you deserve a break — time to reinvest in yourself. The winner will enjoy an escape package at Silverwater Resort, Phillip Island, one of Victoria's most relaxing hideaways. Featuring luxurious accommodation, leisure facilities surrounded by seven hectares of landscaped gardens and dining that makes a feature of fresh, local produce from the surrounding region.

Each experience package is valued at around \$1,000 and includes 2 nights accommodation for four, with breakfast. PLUS, options for a unique experience including: Three Park Passes to Phillip Island Nature Parks, one-hour massages with 3 course dinner for 2, or a helicopter flight and 3 course dinner for 2.

Winner April 2009

Conditions

Eligible Businesses

Any Victorian business that employs up to, and including 20 people is welcome to be part of the awards. Whilst businesses may be not-for-profit or commercial, subsidiaries with a 50% ownership by another company, listed companies and Government owned or majority funded businesses are ineligible to apply. For further information visit www.3aw.com.au/smallbusinesssuccess to download the conditions of entry.

The Review Committee

A dedicated committee will review nominees every month to determine which small business should receive the award.

Adjudication

The awards are judged by an ensemble committee of small business mentors, established through the Small Business Mentoring Service, with every provision made to certify that fair and objective decisions are reached.

The committee's decision is informed by your 250 word submission; this submission will detail innovations in human resources, community contribution, movements towards sustainability, products and sales or process improvement initiatives which have contributed to your business success.
