

Electricity tariffs on King Island and Flinders Island

The following tariff schedule is published under the provisions of the *Electricity Supply Industry Act 1995*.

The following schedule should be read in conjunction with the Standard Terms and Conditions for Bass Strait Islands Customers and the Bass Strait Islands Customer Charter; a copy of which are available on Momentum Energy's website at www.momentumenergy.com.au

The new energy tariff from 1 July 2018 will be 28.37¢ per kWh.

The energy fees have increased by 1.9% to account for movements in the CPI since the date the last tariff reset was calculated.

The pricing for public lights, contracted lights and service fees are based on TasNetworks' 2018-19 rates for mainland Tasmania.

Concessions

Pensioners, health care card, immigration card or community detention card holders may be entitled to receive a rebate.

Life support and medical cooling or heating

Some customers on life support equipment or who have a condition that requires additional cooling or heating may be entitled to receive a discount depending on the type of equipment that they use.

More information can be found on the Tasmanian Government website at www.concessions.tas.gov.au
